VARISTHA INFRACON PVT.LTD.

Varistha Infra is a Fast Growing Entity and a name to reckon within the Real Estate Industry, because of its Innovative Approach Providing you an Extra Large Life style. The management very firmly believes in giving value for money to Customers in terms of Quality, Space and Service while assuring the Customers a Golden Future.

ABOUT MAHENDRAGIRI

In its quest to provide ideal housing plots for safe, secure and elegant living outside the booming global city of Hyderabad, Varistha presents to you Mahendra Giri, yet another landmark offering as part of its ongoing bouquet of housing projects.

As Hyderabad sees vertical growth in properties in several spheres of business endeavor, from world renowned IT and pharma hubs to international corporate businesses, best in class hospitality and healthcare facilities, world class business schools, an international airport and more, the global metropolis is changing the residential landscape as well.

Mahendra Giri in Shadnagar is steadily shaping up into a profitable investment for future housing in the vicinity of DLF Township, NATCO Pharma, Nano Tech Park, the 600-acre upcoming rail cargo hub near Thimmapur, My Home World City spread over 2,500 acres and many villas.

Mahendra Giri, like all Varistha Projects carries the Varistha stamp of quality assurance, prompt and comprehensive service, safety, security and an uncompromising integrity of commitment.

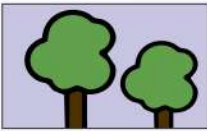

Invest Now for the future. Help Varistha realize your life's dream of moving into an elegant house for a comfortable life you so richly deserve for yourself and your loved ones.
